

Pay by Credit or Debit Card: Online or at the Township Office

The Fenton Township Office is switching from ACI Payments, Inc., for payment processing (which has only been available via the Fenton Township website for sewer payments and property tax payments) to Invoice Cloud, Inc.

Invoice Cloud will allow for a more user-friendly platform for residents to pay sewer/water bills, pay their property taxes, and now building permits will be able to be paid online.

In addition to the expanded online platform, Invoice Cloud will provide the option to pay with a credit or debit card at the Township Office Front Desk.

Residents will be able to access the online payment platform from the Fenton Township website.

As always, credit and debit card transactions will be subject to processing fees.

Questions may be addressed to the Fenton Township Deputy Treasurer Lisa Lawrence by phone (810) 629-1537 or by email at llawrence@fentontownship.org

Online Service Options

The Fenton Township website links to the Township's BS&A account where residents can view property, tax, utility billing, and building department information.

With Invoice Cloud for card processing, residents will be able to select the Pay Now link on BS&A to make a payment with a card for the following:

- Building Permits
- Property Tax Payments
- Utility (Sewer/Water) Billing

Select the Online Payments option on the Fenton Township website homepage to be redirected to the BS&A portal.

Processing fees will be applied to all Invoice Cloud transactions.

Summer Property Taxes Due Sept. 14th

As a reminder, the deadline is approaching for the 2023 Summer Property Taxes.

Payments are due to the Fenton Township Office by Thursday, September 14th.

Residents can always check their property tax history at any time on FentonTownship.org

Payment options include:

- Check/Money Order
- Cash
- Credit/Debit Card*

Fenton Township is switching to Invoice Cloud for credit and debit card processing. With the change, residents will now be able to pay with a card at the front desk and not just online.

*Processing fees will apply.

September is National Preparedness Month

If an emergency were to happen today, are you prepared?

Growing up in Michigan, many of us are accustomed to having tools at the ready for winter weather. You may run to the store before a storm to get bread and milk. Or head to the basement when the tornado siren sounds.

One area that may have not been on the minds of those in Fenton Township is that of having water on hand if there is a water main break.

Those that are hooking up to the new Southern Lakes Water Extension will need to take precautions for such an event.

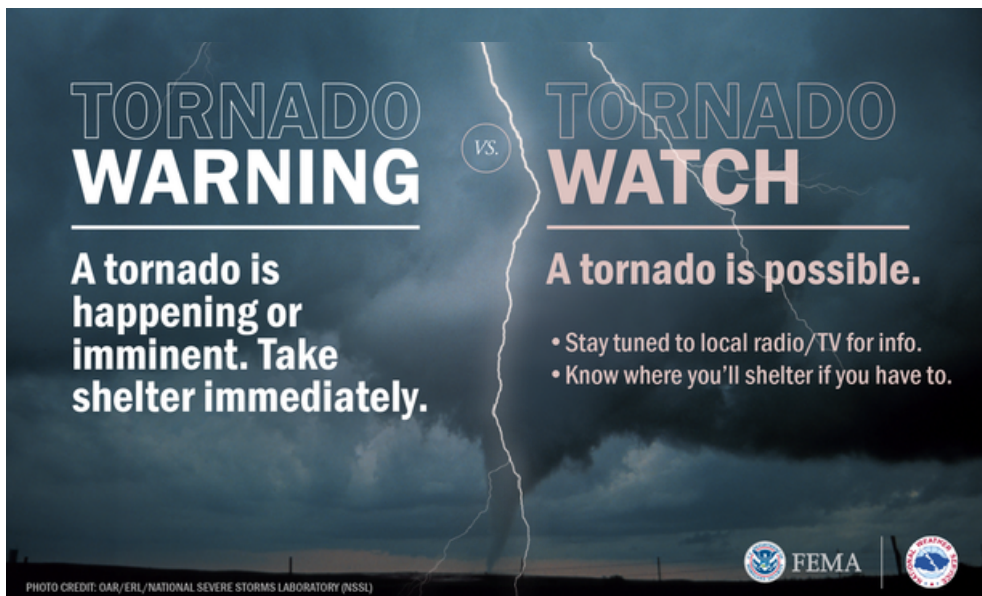

When emergencies do happen, we as a society tend to look to our community for support.

It was in this vein, at the August 1, 2023 meeting the Fenton Township Board discussed, seeking grants for solar panels, and a generator for the Fenton Township Civic Community Center. These upgrades,

according to Fenton Township Supervisor, Vince Lorraine, would allow the building to be used as a shelter when needed.

You can find out more about Emergency Preparedness on the Fenton Township website:

<https://www.fentontownship.org/community-dept/page/emergency-preparedness-guide>
