

Email Utility Billing Sign Up

The Charter Township of Fenton is excited to offer the option of e-billing for utility billing. As an e-billing customer, you will receive your sewer bill in your email and will no longer receive the quarterly postcard in the mail.

To ensure accuracy please fill out the webform below. If you change your email address, **it is your responsibility** to contact our office with your new email address.

Please make sure you are able to receive your bills in your email and not blocked by a spam blocker.

If the e-mail comes back as undeliverable, the Township will attempt to contact the customer by phone. If unsuccessful, a paper copy of your bill will be mailed. If a corrected e-mail address is not provided prior to the next billing cycle, the Township will remove the e-billing authorization from the account and return to mailed postcards.

If you have any questions, you can contact the Fenton Township Deputy Treasurer Lisa Lawrence at utilitybilling [at] fentontownship.org
