

2024 Genesee County Recycling Day Event Information

News Release Date
03-20-2024

The Genesee County Metropolitan Planning Commission (GCMPC) is pleased to announce the 2024 Recycle Day event schedule for household hazardous waste and electronics collection. After multiple years of successful appointment only events, this format will continue into 2024. With appointments, residents will experience decreased wait times when dropping off their items. By attending these events, participants are supporting Genesee County's goal of healthy, livable, and safe communities by taking part in a structured and organized approach to dealing with materials that pose a risk to Genesee County landfills, waterways, and community spaces.

Four Recycle Day events will be held May through August, occurring on the 3rd Tuesday of each month. The 2024 Recycle Day events are as follows:

May 21, 2024

The Genesee County Metropolitan Planning Commission has announced that the May 21, 2024 Recycle Day Event is fully booked.
