

BLIGHT ELIMINATION
Ordinance No. 508
Adopted: May 5, 1997

An ordinance to define, prevent, reduce or eliminate blight, blighting factors or causes of blight within the Charter Township of Fenton, Genesee County, Michigan; to provide for the enforcement hereof; and to provide penalties for the violation hereof. Pursuant to the enacting authority therefore provided by act 344 of the Public Acts of 1945, as amended.

THE CHARTER TOWNSHIP OF FENTON, COUNTY OF GENESEE, MICHIGAN
ORDAINS:

SECTION 1. Purpose.

Consistent with the letter and spirit of Public Act 344 of 1945, as amended, it is the purpose of this ordinance to prevent, reduce or eliminate blight or potential blight in the Charter Township of Fenton by the prevention or elimination of certain environmental causes of blight or blighting factors which exist or which may in the future exist in said township.

SECTION 2. Causes of Blight or Blighting Factors.

It is hereby determined that the following uses, structures and activities are causes of blight or blighting factors which, if allowed to exist, will tend to result in blighted and undesirable neighborhoods. On and after the effective date of this ordinance, no person, firm or corporation of any kind shall maintain or permit to be maintained any of these causes of blight or blighting factors upon any property in the Charter Township of Fenton owned, leased, rented or occupied by such person, firm or corporation.

- a. In any area, the storage upon any property of building materials unless there is in force a valid building permit issued by the Charter Township of Fenton for construction upon said property and said materials are intended for use in connection with such construction, or unless the building materials are stored within a totally enclosed structure. Building materials shall include but shall be limited to lumber, bricks, concrete or cinder blocks, plumbing materials, electrical wiring or equipment, heating ducts or equipment, shingles, mortar, concrete or cement, nails, screws, or any other materials used in constructing any structure.
- b. In any area, the storage or accumulation of junk, trash, rubbish or refuse of any kind without a landfill permit, except domestic refuse stored in such a manner as not to create a nuisance for a period not to exceed 15 days. The term "junk" shall include parts of machinery or motor vehicles, unused stoves or other appliances stored in the open, remnants of woods, metal or any other material or other cast-off material of any kind whether or not the same could be put to any reasonable use.
- c. In any area, the existence of any structure or part of any structure which, because of fire, wind or other natural disaster, or physical deterioration is no longer inhabitable, if a dwelling, nor useful for any other purpose of which it may have been intended.
- d. In any area, the existence of any vacant dwelling, garage or other out-building unless such buildings are kept securely locked, windows kept glazed or neatly boarded up and otherwise protected to prevent entrance thereto by vandals, or other unauthorized persons.

- e. In any area, the existence of any partially completed structure unless such structure is in the course of construction in accordance with a valid and unexpired building permit issued by the township and unless such construction is completed within a reasonable time.

SECTION 3 Enforcement and Penalty for Violation.

This ordinance shall be enforced by the Township Ordinance Enforcement Officer and/or the Township Building Inspector.

The owner, if possible, and the occupant of any property upon which any of the causes of blight or blighting factors set forth in Section 2 hereof is found to exist shall be notified in writing to remove or eliminate such causes of blight or blighting factors from such property within 10 days after service of the notice upon him. Such notice may be served personally or by certified mail, return receipt requested. Additional time may be granted by the Ordinance Enforcement Officer or Building Inspector where bonafide efforts to remove or eliminate such causes of blight or blighting factors are in progress.

Failure to comply with such notice within the time allowed by the owner and/or occupant shall constitute a violation of this ordinance.

Violation of any of the provisions of this Ordinance shall hereafter constitute a misdemeanor and shall be punished by a fine not to exceed five hundred dollars (\$500.00) together with the cost of prosecution and/or imprisonment in the Genesee County Jail or such other place of detention as the court may prescribe for a period of time not to exceed ninety (90) days.

(Amended: Ord. No. 570, 2-5-01)

SECTION 4. Effective Date.

This ordinance shall be published as required by law and shall take effect 30 days after adoption and publication.
