

Deck Permit Checklist

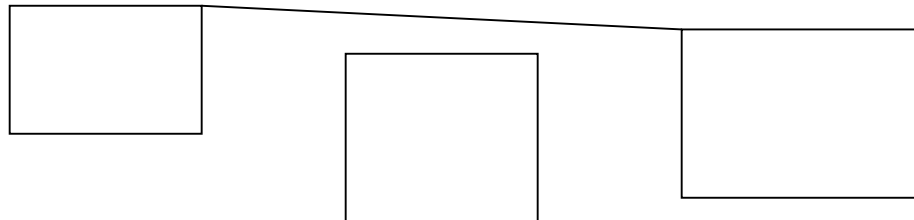

The following items must be completed and submitted to this office along with your application. Applications submitted incomplete will not be reviewed until all items have been received.

- _____ Completed, signed and dated building permit application
- _____ Detailed site plan showing all sets backs and dimensions of the proposed deck
- _____ Detailed drawings showing the height, stair, joist, span and handrail specifications
- _____ Soil Erosion permit or waiver. Call Drain Commission (810) 732-7870.

If you live on the lake, you must provide a sight line, example below

Nothing higher than 30 inches may be constructed beyond the sight line

LAKESIDE OF PROPERTY

STREETSIDE OF PROPERTY

Fees include \$100.00 flat rate for the deck and a \$100.00 bond is required to be posted with this permit and is refunded back by check within 30 days of final inspection.
